RESOLUTION—No. 915A.R.

Calcutta, the 28th December 1934.

In their resolution No. 122A.R., dated the 16th January 1933, the Government of Bengal published a provisional list of Scheduled Castes which they proposed to adopt as the basis of their scheme for carrying out the proposals as first embodied in the Communal Decision for the representation of the Depressed Classes, and subsequently modified in accordance with the terms of the Poona Agreement. The list was prepared on the basis of the social and political backwardness of the castes, and the necessity of securing special representation for them in order to protect their interests.

2. Government invited public bodies, caste associations or individuals to submit their views regarding the inclusion or non-inclusion of any caste or castes in the list. Commissioners of Divisions and District Officers were also asked to examine the cases of all castes numerous in their divisions or districts, and to express their opinion whether, having regard to the criteria enunciated by Government, the castes should or should not be included in the list. They were also asked to state whether they were of opinion that any caste in their division or district which had not been included in the list should be so included.

3. In response to their invitation, Government received many representations from public bodies, caste associations and individuals. These, and the recommendations of Divisional Commissioners and District Officers have now been carefully considered, and Government

have decided to recommend for the consideration of His Majesty's Government the attached list of castes as suitable for inclusion in the list of Scheduled Castes for Bengal.

Order.—Ordered that the resolution be published in the *Calcutta Gazette* and forwarded to newspapers in Calcutta and mufassal for publication.

Rajshahi, the 22nd December 1934. (73—3)

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

Subscribers' Accounts.

9. An account shall be prepared in the name of each subscriber and shall show the amount of his subscriptions with interest thereon calculated as prescribed in sub-rule (2) of rule 14.

Conditions and Rates of Subscriptions.

10. (1) Except as provided in rule 7, a subscriber shall subscribe monthly to the Fund except during a period of suspension:

Provided that a subscriber may, at his option, elect not to subscribe during leave:

Provided further that a subscriber on reinstatement after a period passed under suspension shall be allowed the option of paying in one sum, or in instalments, any sum not exceeding the maximum amount of arrear subscriptions permissible for that period.

(2) The option of a subscriber shall be intimated to the Account Officer before the subscriber proceeds on leave or if his leave is sanctioned retrospectively, as soon thereafter as possible and shall be final. Failure to make due and timely intimation shall be deemed to constitute an election to subscribe.

11. (1) The amount of subscription shall be fixed by the subscriber himself, subject to the following conditions:—

(*a*) It shall be expressed in whole rupees.

(*b*) It may be any sum, so expressed, not less than 6¼ per cent. of his emoluments (*i.e.*, one anna in the rupee) and not more than 15½ per cent. (*i.e.*, 2½ annas in the rupee).

(2) For the purposes of sub-rule (1) the emoluments of a subscriber shall be—

(*a*) in the case of a subscriber who was in Government service on the 31st March of the preceding year, the emoluments to which he was entitled on that date: provided as follows—

(*i*) if the subscriber was on leave on the said date and elected not to subscribe during such leave or was under suspension on the said date, his emoluments shall be the emoluments to which he was entitled on the first day after his return to duty;

(*ii*) if the subscriber was on deputation out of India on the said date or was on leave on the said date and continues to be on leave and has elected to subscribe during such leave his emoluments shall be the emoluments to which he would have been entitled had he been on duty in India;

(*iii*) if the subscriber joined the Fund for the first time under the operation of rule 6 on a day subsequent to the said date, his emoluments shall be the emoluments to which he was entitled on such subsequent date.

(*b*) in the case of a subscriber who was not in Government service on the 31st March of the preceding year, the emoluments to which he was entitled on the first day of his service or, if he joined the Fund for the first time under the operation of rule 6 on a date subsequent to the first day of his service, the emoluments to which he was entitled on such subsequent date.

(3) The subscriber shall intimate the fixation of the amount of his monthly subscription in each year in the following manner:—

(*a*) if he was on duty on the 31st March of the preceding year, by the deduction which he makes in this behalf from his pay bill for that month;

(*b*) if he was on leave on the 31st March of the preceding year and elected not to subscribe during such leave, or was under suspension on that date, by the deduction which he makes in this behalf from his first pay bill after his return to duty;

(*c*) if he has entered Government service for the first time during the year, or if he is compulsorily required to join the Fund from a particular date under rule 6, by the deduction which he makes in this behalf, from his pay bill for the month during which he joins the Fund;

(*d*) if he was on leave on the 31st March of the preceding year, and continues to be on leave and has elected to subscribe during such leave, by the deduction which he causes to be made in this behalf from his salary bill for that month by written intimation to the Account Officer;

(*e*) if he was on foreign service on the 31st March of the preceding year, by written communication to the Account Officer before the 1st April of the current year.

(4) If the amount of subscription payable contains a fraction of a rupee, it shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee).

(5) The amount of subscription so fixed shall remain unchanged throughout the year:

Provided that if a subscriber is on duty for a part of a month and on leave for the remainder of that month and if he has elected not to subscribe during leave, the amount of the subscription payable shall be proportionate to the number of days spent on duty in the month.

12. When a subscriber is transferred to foreign service or sent on deputation out of India, he shall remain subject to the rules of the Fund in the same manner as if he were not so transferred or sent on deputation.

Realisation of subscriptions.

13. (1) When emoluments are drawn from a Government treasury in India or from the Home or a Colonial treasury, recovery of subscriptions on account of these emoluments and of the principal and interest of advances shall be made from the emoluments themselves; except that, when emoluments other than sterling overseas pay are so drawn in India, deductions in respect of sterling overseas pay, when admissible, shall be made in India.

(2) When emoluments are drawn from any other source the subscriber shall forward his dues monthly to the Account Officer.

(3) If a Government servant fails to subscribe with effect from the date on which he is required to join the Fund under rule 6, the total amount due to the Fund on account of arrears of subscription shall, with interest thereon at the rate provided in rule 14, forthwith be paid by the subscriber to the Fund, or in default be ordered by the Account Officer to be recovered by deduction from the emoluments of the subscriber by instalments or otherwise, as the Local Government may direct.

Interest.

14. (1) Subject to the provisions of sub-rule (5) below, Government shall pay to the credit of the account of a subscriber interest at such rate as may be determined for each year according to the method of calculation prescribed from time to time by the Government of India.

Provided that, if the rate of interest determined for a year is less than 4 per cent., all existing subscribers to the Fund in the year preceding that for which the rate has for the first time been fixed at less than 4 per cent. shall be allowed interest at 4 per cent.

(2) Interest shall be credited with effect from the last day in each year in the following manner:—

(*i*) on the amount at the credit of a subscriber on the last day of the preceding year, less any sums withdrawn during the current year—interest for twelve months;

(*ii*) on sums withdrawn during the current year—interest from the beginning of the curent year up to the last day of the month preceding the month of withdrawal;

(*iii*) on all sums credited to the subscriber's account after the last day of the preceding year—interest from the date of deposit up to the end of the current year;

(*iv*) the total amount of interest shall be rounded to the nearest rupee in the manner provided in rule 11 (4):

Provided that when the amount standing at the credit of a subscriber has become payable, interest shall thereupon be credited under this sub-rule in respect only of the period from the beginning of the current year or from the date of deposit, as the case may be, up to the date on which the amount standing at the credit of the subscriber became payable.

(3) In this rule, the date of deposit shall, in the case of a recovery from emoluments, be deemed to be the first day of the month in which it is recovered: and in the case of an amount forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if

it is received by the Account Officer before the fifth day of that month, but if it is received on or after the fifth day of that month, the first day of the next suceeding month.

(4) In addition to any amount to be paid under rule 29, 30 or 31, interest thereon up to the end of the month preceding that in which the payment is made, or up to the end of the sixth month after the month in which such amount became payable, whichever of these periods be less, shall be payable to the person to whom such amount is to be paid:

Provided that where the Account Officer has intimated to that person (or his agent) a date on which he is prepared to make payment in cash, or has posted a cheque in payment to that person, interest shall be payable only up to the end of the month preceding the date so intimated, or the date of posting the cheque, as the case may be.

(5) Interest shall not be credited to the account of a Muhammadan subscriber if he informs the Account Officer that he does not wish to receive it; but if he subsequently asks for interest, it shall be credited with effect from the first day of the year in which he asks for it.

(6) The interest on amounts which under sub-rule (3) of rule 13, sub-rule (5) of rule 16, sub-rule (3) of rule 19, sub-rule (3) of rule 21, sub-rule (1) of rule 23, sub-rule (1) or (2) of rule 24, rule 29 or rule 30 are replaced at the credit of the subscriber in the Fund, shall be calculated at such rates as may be successively prescribed under sub-rule (1) of this rule and so far as may be in the manner described in this rule.

Advances from the Fund.

15. (1) A temporary advance may be granted to a subscriber from the amount standing to his credit in the Fund at the discretion of the authority specified in sub-rule (3), subject to the following conditions:—

(*a*) the subscriber must satisfy that authority of the necessity* for the advance;

(*b*) that authority shall record in writing its reason for granting the advance;

(*c*) an advance shall not except for special reasons to be recorded in writing by that authority—

(*i*) exceed three months' pay, or

(*ii*) be granted until at least twelve months after the final repayment of all previous advances together with interest thereon:

Provided that if the reason is of a confidential nature, it may be communicated to the Account Officer personally and/or confidentially.

(2) In fixing the amount of an advance the sanctioning authority shall pay due regard to the amount at the credit of the subscriber in the Fund.

* See Appendix B.

(3) The authority competent to grant an advance:—

(*ii*) within twelve months of the final repayment of all previous advances together with interest thereon,

(*b*) in any case not specified in clause (*a*), shall be the authority competent to grant an advance of pay on transfer under Article 159 (*a*) of the Civil Account Code.

16. (1) An advance shall be recovered from the subscriber in such number of equal monthly instalments as the sanctioning authority may direct; but such number shall not be less than twelve unless the subscriber so elects, or in any case more than twenty-four. A subscriber may, at his option, repay more than one instalment in a month. Each instalment shall be a number of whole rupees, the amount of the advance being raised or reduced, if necessary, to admit of the fixation of such instalments.

(2) Recovery shall be made in the manner prescribed in rule 13 for the realisation of subscriptions, and shall commence on the first occasion after the advance is made on which the subscriber draws pay, or remuneration on foreign service, for a full month. Recovery shall not be made, except with the subscriber's consent, while he is on leave or in receipt of subsistence grant and may be postponed, on the subscriber's written request, by the sanctioning authority during the recovery of an *advance of pay granted to the subscriber.

(3) If more than one advance has been made to a subscriber, each advance shall be treated separately for the purpose of recovery.

(4) (*a*) After the principal of the advance has been fully repaid, interest shall be paid thereon at the rate of one-fifth per cent. of the principal for each month or broken portion of a month during the period between the drawal and complete repayment of the principal:

Provided that Muhammadan subscribers whose deposits in the Fund carry no interest shall not be required to pay into the Fund any additional instalments on account of interest on advances granted to them from the Fund.

(*b*) Interest shall ordinarily be recovered in one instalment in the month after complete repayment of the principal; but, if the period referred to in clause (*a*) exceeds twenty months, interest may, if the subscriber so desires, be recovered in two equal monthly instalments. The method of recovery shall be that prescribed in sub-rule (2). Payments shall be rounded to the nearest rupee in the manner prescribed in rule 11.

(5) If an advance has been granted to a subscriber and drawn by him and the advance is subsequently disallowed before re-payment is completed, the whole or balance of the amount withdrawn, shall, with

*The expression "advance of pay" includes ordinary advance of pay granted under the relevant rules such as article 159 (*a*), (*b*) and (*h*) of the Civil Account Code but does not include advances for the building or repairs of a house, for the purchase of a conveyance or for the payment of passages overseas, which are of a different nature.

Provided that Muhammadan subscribers whose deposits in the Fund carry no interest shall not be required to pay any interest.

(6) Recoveries made under this rule shall be credited as they are made to the subscriber's account in the Fund.

* See Appendix C.

21. (1) The policy, within three months after the first withholding of a subscription or withdrawal from the Fund in respect of the policy; or in the case of an insurance company whose headquarters are outside India, within such further period as the Account Officer, if he is satisfied by the production of the completion certificate (*interim* receipt), may fix, shall—

Note 2.—Subscribers who proceed to Great Britain or Ireland on quitting the service are advised that under the English Stamp Law assignments or re-assignments are required to be stamped within 31 days of their first arrival in those countries. Otherwise penalty will be incurred under the Stamp Act, and difficulties may arise when the policy matures for payment.

(*ii*) if the policy has been delivered to him under clause (*b*) of sub-rule (*1*) of rule 21, make over the policy to the subscriber:

Provided that, if the subscriber, after proceeding on leave preparatory to retirement, or after being, while on leave, permitted to retire or declared by a competent medical authority to be unfit for further service, returns to duty, any policy so reassigned or made over shall, if it has not matured or been assigned or charged or encumbered in any way, be again assigned to the Secretary of State in Council and delivered to the Account Officer, or again be delivered to the Account Officer, as the case may be, in the manner provided in rule 21, and thereupon the provisions of these rules shall, so far as may be, again apply in respect of the policy.

Provided further that, if the policy has matured or been assigned or charged or encumbered in any way, the provisions of sub-rule (3) of Rule 21, applicable to a failure to assign and deliver a policy shall apply.

(2) Save as provided by rule 27, when the subscriber dies before quitting the service, the Account Officer shall—

(1) If a policy assigned to the Secretary of State in Council under rule 21 or under the corresponding rule heretofore in force, matures before the subscriber quits the service, and before his death, or if a policy on the joint lives of a subscriber and the subscriber's wife or husband, assigned under the said rule or under the corresponding rule heretofore in force, falls due for payment by reason of the death of the subscriber's wife or husband, the Account Officer shall, save as provided by rule 27, proceed as follows:—

(*i*) if the amount assured together with the amount of any accrued bonuses is greater than the whole of the amount withheld or withdrawn from the Fund in respect of the policy with interest thereon at the rate provided in rule 14, the Account Officer shall reassign the policy in the Form set forth in the Fifth Schedule to the subscriber or to the subscriber and the joint assured as the case may be, and make it over to the subscriber, who shall immediately on receipt of the policy monies from the Insurance Company pay or repay to the Fund the whole of any amount withheld or withdrawn with interest, and in default, the provisions of sub-rule (3) of rule 21 applicable to a failure to assign and deliver a policy shall apply;

(*ii*) if the amount assured together with the amount of any accrued bonuses is less than the whole of the amount withheld or withdrawn with interest, the Account Officer shall realise the amount assured together with any accrued bonuses and shall place the amount so realised to the credit of the subscriber in the Fund.

(2) Save as provided by rule 27, if a policy delivered to the Account Officer under clause (*b*) of sub-rule (1) of rule 21 matures before the subscriber quits the service, the Account Officer shall make over the policy to the subscriber:

Provided that if the interest in the policy of the wife of the subscriber, or of his wife and children, or any of them, as expressed on the face of the policy, expires when the policy matures, the subscriber, if the policy monies are paid to him by the Insurance Company, shall immediately on receipt thereof pay or repay to the Fund either—

(*i*) the whole of any amount withheld or withdrawn from the Fund in respect of the policy with interest thereon at the rate provided in rule 14,

or

(*ii*) an amount equal to the amount assured together with any accrued bonuses,

whichever is less, and, in default, the provisions of sub-rule (*3*) of rule 21 applicable to a failure to assign and deliver a policy shall apply.

25. If the interest of the subscriber in the family pension fund ceases, in whole or part, from any cause whatsoever, the provident

fund account of the subscriber shall forthwith be re-imbursed by the amount of the refund secured by the subscriber from the family pension fund, which amount shall, in default of reimbursement, be deducted from the subscriber's emoluments by instalments or otherwise, as the Local Government may direct.

26. If the policy lapses, or is assigned otherwise than to the Secretary of State in Council under rule 21, charged or encumbered, the provisions of sub-rule (3) of rule 21 applicable to a failure to assign and deliver a policy shall apply.

27. If the Account Officer receives notice of—

(*a*) an assignment (otherwise than an assignment to the Secretary of State in Council under rule 21), or

(*b*) a charge or encumbrance on, or

(*c*) an order of a Court restraining dealings with

the policy or any amount realised thereon, the Account Officer shall not—

(*i*) reassign or make over the policy as provided in rule 23, or

(*ii*) realise the amount assured by the policy or reassign, or make over the policy, as provided in rule 24,

but shall forthwith refer the matter to the Local Government.

28. Notwithstanding anything contained in these rules, if the sanctioning authority is satisfied that money drawn as an advance from the Fund under clause (1) of rule 15 or withheld or withdrawn from the Fund under clause (*a*) or clause (*b*) of rule 17, has been utilised for a purpose other than that for which sanction was given to the drawal, withholding or withdrawal of the money, the amount in question, shall, with interest at the rate provided in rule 14, forthwith be repaid or paid, as the case may be, by the subscriber to the Fund, or in default, be ordered to be recovered by deduction in one sum from the emoluments of the subscriber, even if he be on leave. If the total amount to be repaid or paid, as the case may be, be more than half the subscribers' emoluments recoveries shall be made in monthly instalments of moieties of his emoluments till the entire amount recoverable be repaid or paid, as the case may be, by him.

Note.—The term "emoluments" as used in this rule does not include subsistence grant.

Final withdrawal of Accumulations in the Fund.

29. When a subscriber quits the service the amount standing to his credit in the Fund shall become payable to him:

Provided that a subscriber, who has been dismissed from the service and is subsequently reinstated in the service shall, if required to do so by the Local Government, repay any amount paid to him from the Fund in pursuance of this rule, with interest thereon at the rate provided in rule 14, in the manner provided in the proviso to rule 30. The amount so repaid shall be credited to his account in the Fund.

30. When a subscriber—

(*a*) has proceeded on leave preparatory to retirement, or, if he is employed in a vacation department, on leave preparatory to retirement combined with vacation, or

(*b*) while on leave, has been permitted to retire or been declared by a competent medical authority to be unfit for further service,

the amount standing to his credit in the Fund shall, upon application made by him in that behalf to the Account Officer, become payable to the subscriber:

Provided that the subscriber, if he returns to duty, shall, if required to do so by the Local Government, repay to the Fund, for credit to his account, the whole or part of any amount paid to him from the Fund in pursuance of this rule with interest thereon at the rate provided in rule 14, in cash or securities, or partly in cash and partly in securities by instalments or otherwise, by recovery from his emoluments or otherwise, as the Local Government may direct.

*31. On the death of a subscriber before the amount standing to his credit has become payable, or where the amount has become payable, before payment has been made;

(*i*) when the subscriber leaves a family—

(*a*) if a nomination made by the subscriber in accordance with the provisions of rule 8 or of the corresponding rule heretofore in force in favour of a member or members of his family subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates shall become payable to his nominee or nominees in the proportion specified in the nomination.

(*b*) if no such nomination in favour of a member or members of the family of the subscriber subsists, or if such nomination relates only to a part of the amount standing to his credit in the Fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall, notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares:

Provided that no share shall be payable to—

(1) sons who have attained legal majority;

(2) sons of a deceased son who have attained legal majority;

(3) married daughters whose husbands are alive;

(4) married daughters of a deceased son whose husbands are alive;

if there is any member of the family other than those specified in clauses (1), (2), (3) and (4);

Provided further that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the subscriber and if, in a case where had he survived the subscriber, he would have been excluded from a share under clause (1) of the first proviso, he had not been so excluded.

* See also Appendix D.

(*ii*) when the subscriber leaves no family, if a nomination made by him in accordance with the provisions of rule 8 or of the corresponding rule heretofore in force in favour of any person or persons subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination.

32. (1) When the amount standing to the credit of a subscriber in the Fund becomes payable, it shall be the duty of the Account Officer to make payment, as provided in section 4 of the Provident Funds Act, 1925.

(2) If the person to whom, under these rules, any amount or policy is to be paid, assigned, reassigned or delivered, is a lunatic for whose estate a manager has been appointed in this behalf under the Indian Lunacy Act, 1912, the payment or reassignment or delivery will be made to such manager and not to the lunatic.

(3) Any person who desires to claim payment under this rule shall send a written application in that behalf to the Account Officer. Payment of amounts withdrawn shall be made in India only. The persons to whom the amounts are payable shall make their own arrangements to receive payment in India.

Note.—When the amount standing to the credit of a subscriber has become payable under Rule 29, 30 or 31, the Account Officer shall authorise prompt payment of that portion of the amount standing to the credit of a subscriber in regard to which there is no dispute or doubt, the balance being adjusted as soon after as may be.

33. (*a*) If a Government servant who is a subscriber to any other Government Provident Fund, which is a non-contributory provident fund, is permanently transferred to pensionable service under the Local Government, the amount of subscriptions, together with interest thereon, standing to his credit in such other fund at the date of transfer shall be transferred to his credit in the Fund.

(*b*) If a Government servant who is a subscriber to the Contributory Provident Fund (Bengal) is permanently transferred to pensionable service under the Local Government and elects or is required to earn pension in respect of such pensionable service—

(*i*) the amount of subscriptions, with interest thereon, standing to his credit in such contributory provident fund at the date of transfer shall be transferred to his credit in the Fund;

(*ii*) the amount of Government contributions, with interest thereon, standing to his credit in such contributory provident fund shall be repaid to the Local Government and credited to Provincial Revenues; and

(*iii*) he shall in exchange be entitled to count towards pension such part of the period during which he subscribed to such contributory provident fund as the Local Government may determine.

Procedure Rules.

34. All sums paid into the Fund under these rules shall be credited in the books of Government to an account named "The General Provident Fund". Sums of which payment has not been taken within six months after they become payable under these rules shall be transferred to "Deposits" at the end of the year and treated under the ordinary rules relating to deposits.

35. When paying a subscription in India, either by deduction from emoluments or in cash, a subscriber shall quote the number of his account in the Fund, which shall be communicated to him by the Account Officer. Any change in the number shall similarly be communicated to the subscriber by the Account Officer.

36. (1) As soon as possible after the close of each year, the Account Officer shall send to each subscriber a statement of his account in the Fund showing the opening balance as on the 1st April of the year, the total amount credited or debited during the year, the total amount of interest credited as on the 31st March of the year and the closing balance on that date. The Account Officer shall attach to the statement of account an enquiry whether the subscriber—

(*a*) desires to make any alteration in any nomination made under rule 8 or under the corresponding rule heretofore in force;

(*b*) has acquired a family in cases where the subscriber has made no nomination in favour of a member of his family under sub-rule (2) of rule 8.

(2) Subscribers to satisfy themselves as to the correctness of the annual statement, and errors should be brought to the notice of the Account Officer within six months from the date of receipt of the statement.

(3) The Account Officer shall, if required by a subscriber, once, but not more than once, in a year inform the subscriber of the total amount standing to his credit in the Fund at the end of the last month for which his account has been written up.

Act No. XIX of 1925.

[As amended by Act No. 28 of 1925, Nos. VII and XII of 1927 and No. 1 of 1930.]

PASSED BY THE INDIAN LEGISLATURE.

(*Received the assent of the Governor-General on the 27th August 1925.*)

An Act to amend and consolidate the law relating to Government and other Provident Funds.

Whereas it is expedient to amend and consolidate the law relating to Government and other Provident Funds; it is hereby enacted as follows:—

1. *Short title, extent and commencement.*—(*1*) This Act may be called the Provident Funds Act, 1925.

(*2*) It extends to the whole of British India, including British Beluchistan.

(*3*) It shall come into force on such date as the Governor-General in Council may, by notification in the Gazette of India, appoint.

2. *Definitions.*—In this Act, unless there is anything repugnant in the subject or context,—

(*a*) "compulsory deposit" means a subscription to, or deposit in a Provident Fund which, under the rules of the Fund, is not, until the happening of some specified contingency, repayable on demand otherwise than for the purpose of the payment of premia in respect of a policy of life insurance, or the payment of subscriptions or premia in respect of a family pension fund and includes any contribution and any interest or increment which has accrued under the rules of the Fund on any such subscription, deposit or contribution, and also any such subscription, deposit, contribution, interest or increment remaining to the credit of the subscriber or depositor after the happening of any such contingency;

(*b*) "contribution" means any amount credited in a Provident Fund, by any authority administering the Fund, by way of addition to, a subscription to or deposit or balance at the credit of an individual account in the Fund; and "contributory Provident Fund" means a Provident Fund the rules of which provide for the crediting of contributions;

(*c*) "dependant" means any of the following relatives of a deceased subscriber to, or a depositor in, a Provident Fund, namely, a wife, husband, parent, child, minor brother, unmarried sister and a deceased son's widow and child, and, where no parent of the subscriber or depositor is alive, a paternal grand-parent;

(*d*) "Government Provident Fund" means a Provident Fund, other than a Railway Provident Fund, constituted by the authority of the Government for any class or classes of its employees or of persons employed in educational institutions or employed by bodies existing solely for educational purposes;

(*e*) "Provident Fund" means a fund in which subscriptions or deposits of any class or classes of employees are received and held on their individual accounts, and includes any contributions and any interest or increment accruing on such subscriptions, deposits or contributions under the rules of the Fund;

(*f*) "Railway administration" means—

(*i*) any company administering a railway or tramway in British India either under a special Act of Parliament or of the Indian or a local Legislature, or under contract with the Secretary of State for India in Council, the Governor-General in Council or a Local Government, or

(*ii*) the manager of any railway or tramway administered by the Governor-General in Council or a Local Government.

and includes, in any case referred to in sub-clause (*ii*), the Governor-General in Council or the Local Government, as the case may be;

(*g*) "Railway Provident Fund" means a Provident Fund constituted by the authority of a railway administration for any class or classes of its employees.

3. *Protection of compulsory deposits.*—(*1*) A compulsory deposit in any Government or Railway Provident Fund shall not in any way be capable of being assigned or charged and shall not be liable to attachment under any decree or order of any Civil, Revenue or Criminal Court in respect of any debt or liability incurred by the subscriber or depositor, and neither the Official Assignee nor any receiver appointed under the Provincial Insolvency Act, 1920 (V of 1920), shall be entitled to, or have any claim on, any such compulsory deposit.

(*2*) Any sum standing to the credit of any subscriber to, or depositor in, any such Fund at the time of his decease and payable under the rules of the Fund to any dependant of the subscriber or depositor, or to such person as may be authorised by law to receive payment on his behalf, shall, subject to any deduction authorised by this Act and, save where the dependant is the widow or child of the subscriber or depositor, subject also to the rights of an assignee under an assignment made before the commencement of this Act, vest in the dependant, and shall, subject as aforesaid, be free from any debt or other liability incurred by the deceased or incurred by the dependant before the death of the subscriber or depositor.

4. *Provision regarding repayment.*—(*1*) When under the rules of any Government or Railway Provident Fund the sum standing to the credit of any subscriber or depositor, or the balance thereof after the making of any deduction authorised by this Act, has become payable,

the officer whose duty it is to make the payment shall pay the sum or balance, as the case may be, to the subscriber or depositor, or, if he is dead, shall—

(*a*) if the sum or balance, or any part thereof, vests in a dependant under the provisions of section 3, pay the same to the dependant or to such person as may be authorised by law to receive payment on his behalf; or

(*b*) if the whole sum or balance, as the case may be, does not exceed five thousand rupees, pay the same, or any part thereof, which is not payable under clause (*a*), to any person nominated to receive it under the rules of the Fund, or, if no person is so nominated, to any person appearing to him to be otherwise entitled to receive it; or

(*c*) in the case of any sum or balance, or any part thereof, which is not payable to any person under clause (*a*) or clause (*b*) pay the same,—

(*i*) to any person nominated to receive it under the rules of the Fund, on production by such person of probate or letters of administration evidencing the grant to him of administration to the estate of the deceased or a certificate granted under the Succession Certificate Act, 1889 (II of 1899), or under the Bombay Regulation VIII of 1827, entitling the holder thereof to receive payment of such sum, balance or part, or

(*ii*) where no person is so nominated to any person who produces such probate, letters or certificate:

Provided that, where the whole or any part of any sum standing to the credit of the subscriber or depositor has been assigned to any other person before the commencement of this Act, and notice in writing of the assignment has been received by the officer from the assignee, the officer shall, after making any deduction authorised by this Act and any payment due under clause (*a*) to or on behalf of the widow or children of the subscriber or depositor—

(*i*) if the subscriber or depositor or, if he is dead, the person to whom in the absence of any valid assignment the sum or balance would be payable under this sub-section gives his consent in writing, pay the sum or part or the balance thereof, as the case may be, to the assignee, or

(*ii*) if such consent is not forthcoming, withhold payment of the sum, part or balance, as the case may be, pending a decision of a competent Civil Court as to the person entitled to receive it.

(*2*) The making of any payment authorised by sub-section (*1*) shall be a full discharge to the Government or the railway administration, as the case may be, from all liability in respect of so much of the sum standing to the credit of the subscriber or depositor as is equivalent to the amount so paid.

5. *Rights of nominees.*—(*1*) Subject to the provisions of this Act, but otherwise notwithstanding anything contained in any law for the time being in force or any disposition, whether testamentary or otherwise, by a subscriber to, or depositor in, a Government or Railway Provident Fund of the sum standing to his credit in the Fund, or of

any part thereof, any nomination, duly made in accordance with the rules of the Fund, which purports to confer upon any person the right to receive the whole or any part of such sum on the death of the subscriber or depositor, shall be deemed to confer such right absolutely, until such nomination is varied by another nomination made in like manner or is expressly cancelled by the subscriber or depositor by notice given in such manner and to such authority as is prescribed by those rules.

(*2*) Notwithstanding anything contained in the Succession Certificate Act, 1889 (VII of 1899), or the Bombay Regulation VIII of 1827, any such person shall, on the death of the subscriber or depositor, be entitled to the grant of a certificate under that Act, or that Regulation, as the case may be, entitling him to receive payment of such sum or part, and such certificate shall not be deemed to be invalidated or superseded by any grant to any other person of probate or letters of administration to the estate of the deceased.

6. *Power to make deductions.*—When the sum standing to the credit of any subscriber or depositor in any Government or Railway Provident Fund which is a Contributory Provident Fund becomes payable, there may, if the authority specified in this behalf in the rules of the Fund so directs, be deducted therefrom and paid to Government or the Railway administration, as the case may be—

(*a*) any amount due under a liability incurred by the subscriber or depositor to Government or the Railway administration, but not exceeding in any case the total amount of any contributions credited to the account of the subscriber or depositor and of any interest or increment which has accrued on such contributions; or

(*b*) where the subscriber or depositor has been dismissed from his employment for any reasons specified in this behalf in the rules of the Fund, or where he has resigned such employment within five years of the commencement thereof, the whole or any part of the amount of any such contributions, interest and increment.

7. *Protection for acts done in good faith.*—No suit or other legal proceedings shall lie against any person in respect of anything which is in good faith done or intended to be done under this Act.

8. *Power to apply the Act to other Provident Funds.*—(*1*) The Local Government may, by notification in the local official Gazette, direct that the provisions of this Act shall apply to any Provident Fund established for the benefit of its employees by any local authority within the meaning of the Local Authorities Loans Act (IX of 1914), and, on the making of such declaration, this Act shall apply accordingly, as if such Provident Fund were a Government Provident Fund and such local authority were the Government.

(*2*) The Governor-General in Council may, by notification in the Gazette of India, direct that the provisions of this Act shall apply to any Provident Fund established for the benefit of the employees of any of the institutions specified in the Schedule, or of any group of such institutions, and, on the making of such declaration, this Act shall apply accordingly, as if such Provident Fund were a Government Provident Fund and the authority having custody of the Fund were the Government:

Provided that section 6 shall apply as if the authority making the contributions referred to in that section were the Government.

(*3*) The Governor-General in Council may, by notification in the Gazette of India, add to the Schedule the name of any public institution he may deem fit, and any such addition shall take effect as if it had been made by this Act.

9. *Savings as to estates of soldiers (56 and 57 Vict., c. 5).*—Nothing in section 4 or section 5 shall apply to money belonging to any estate for the purpose of the administration of which the Regimental Debts Act, 1893, applies.

Executive Instructions.

The following are deemed to be good and sufficient reasons for the grant of advances, provided the sanctioning authority is satisfied that the applicant's pecuniary circumstances justify an advance, and that the amount advanced will be expended on the object for which it is given:—

(*a*) to pay expenses incurred in connection with the prolonged illness of a subscriber or any person actually dependent on him;

(*b*) to pay for the overseas passage for reasons of health or education of a subscriber or any person actually dependent on him;

(*c*) to pay obligatory expenses on a scale appropriate to the subscriber's status in connection with marriages, funerals or ceremonies which by his religion it is incumbent on him to perform.

Sanctioning authorities should reject an application for an advance to repay a debt incurred on account of illness or any other recognised purpose, made unreasonably long after the event to which it relates.

Advances are not rigidly confined to the objects mentioned in clauses (*a*) to (*c*) above, but may be sanctioned only for reasons no less cogent. An advance may not be granted for the purchase of a house or land, or for the erection of, or repairs to, a building, or to meet the expenses of law suits, or to repay ordinary debts, or to furnish security deposits, or to purchase motor-cars or other means of conveyance, or to meet the marriage expenses of a European, Anglo-Indian or Indian Christian subscriber or any person actually dependent on him.

Note 1.—Explanations and Exceptions.

(*f*) *Piece-workers in Government Presses.*—The subscriptions of piece-workers in Government Presses are not subject to the minimum limit of 6¼ per cent. of pay. In their case the maximum limit of 15⅝ per cent. shall be calculated on the highest earnings drawn for any day falling within the period 15th February to 14th March of the financial year preceding. If, however, a piece-worker has been absent during the whole of that period the limit of 15⅝ per cent. shall be calculated on the highest earnings drawn for any day of the first subsequent press month (15th of one month to the 14th of the next month) in which he is employed.

(*g*) *Other piece-rate workers.*—The subscriptions of section writers, typists, and other piece-rate workers who are members of fixed establishments shall be calculated on their earnings for March of the preceding financial year.

A contingent annuity, which, in the event of his death, ensures a certain income to the insurer's wife or children, or both, shall also be accepted for the purposes of this rule.

Note 2.—If a policy of insurance is effected by a subscriber on his own life for the benefit of a sole beneficiary specially named therein, a formal assignment by both the insured and the sole beneficiary shall be permissible. An assignment of a policy effected by a subscriber on his own life for the benefit of more than one beneficiary whether existent or not at the date of the policy shall not, in view of the attendant legal difficulties, be permissible under this rule.

* * * * * * * *

21A. (*b*) A married subscriber to the Fund may substitute, for subscriptions to the General Provident Fund, payments towards either (*i*) a policy of assurance effected on his own life, if the policy, on the face of it, is for the benefit of his wife or of his children or of any or all of these, provided that, if such policy matures not at death, but after a period of years, the date of maturity shall not be earlier than the earliest date on which the subscriber may, by the terms of his service, retire; or (*ii*) any policy of assurance effected on his own life which he has assigned to trustees by a deed of settlement for the benefit of his wife or of his children or of any or all of these.

Where a subscriber intends to take out a life assurance policy in any Company and to substitute premiums on such a policy for subscriptions to the General Provident Fund, he should satisfy himself that the

Company concerned is a sound one. Every Life Assurance Company working in India is required by law to deposit with Government copies of the following documents—

(*b*) Life assurance revenue account for the last financial year, and

(*c*) Balance sheet as at the close of the last financial year.

These should be asked for. The subscriber should examine the documents and apply the following three tests to judge for himself the financial stability of the Company:—

(1) whether the latest actuarial investigation disclosed a *divisible surplus*, namely a surplus a portion of which was allocated to policy holders,

(2) whether the revenue account shows that the expenses of management, including commission, did not absorb more than a third of the premium income in the last financial year, and

(*a*) The ordinary surplus is ample to meet the charges of the proposed loan.

(*b*) When the capital works under contemplation are provided for by the proposed loan, it is intended to effect an immediate *reduction* of taxation to the extent of about Rs. 32,000 per year. Even if the proved surplus of a lakh were to disappear, reimposition of taxes at the present rate would yield enough to liquidate the entire loan.

The taxes mentioned in column 12 are levied at the following rates :—

	Per cent.	
Holding tax ..	9	on the annual valuation.
Water rate ..	3¾	ditto.
Lighting rate ..	3	ditto.
Latrine rate ..	8	ditto of 1st hundred.

(*c*) Statement of outstanding loans is appended hereto.

(*d*) The figures in the loan applications have been carefully analysed in order to show nothing but strictly normal income and expenditure under normal heads.

Thus although there have been heavy excess receipts due to arrear collection all collections (*a*) over 98 per cent. of taxes and electric dues and (*b*) over 90 per cent. of property demand have been excluded and shown as abnormal income.

HOME DEPARTMENT.

King's Police Medal.

NOTIFICATION.

(POLICE.)

New Delhi, the 1st January 1935.

No. F.-25/VII/34-Police.—His Majesty the King, Emperor of India, has been pleased to confer the King's Police Medal, and in two cases a bar to the Medal previously awarded, on the following officers and men of the Indian Police establishments:—

* * * * * *

Bengal.

*3. *Ram Singhasan Singh, Head Constable.*—On receipt of information of a dacoity at the Hili Station at about 4 a.m. on 28th October 1933, the officer-in-charge, Phulbari police-station, despatched head constable Ram Singhasan Singh (then constable) to the spot. The constable set off at once and reached Charkai where he heard of some suspicious youths passing towards Chintamon *en route* to village Samjia. Following this clue, he overtook the dacoits a few miles further on and, pretending to be a jute "dalal," succeeded in allaying their suspicion. He kept the youths in view, sometimes going ahead and sometimes falling back, ostensibly making enquiries about the price of jute, but actually arranging with villagers and rural police to cut off their retreat. When the dacoits stopped to rest at Kutubpur, he pushed on to Samjia where he asked for help from the local zamindar who, at his suggestion, sent two men on cycles to provide the dacoits with carts and to arrange with the carters to bring the youths quickly to Samjia ghat. He also arranged with the ferryman to keep the big boat on the far side of the river, thus ensuring that it would be a long while after the arrival of the dacoits before the boat would be brought to Samjia ghat. On arrival the dacoits were arrested with the help of villagers, the constable himself, though unarmed, grappling with and arresting one of the dacoits who was armed with a revolver. From the time of his departure from the police station at 4 a.m. to the time of arrest the constable was without food. He displayed remarkable intelligence and resource in dispelling suspicion and thus succeeded in effecting, with the help of the villagers, the arrest of all seven dacoits and the recovery of their firearms and booty. He was in considerable danger throughout the period he maintained contact with them and displayed conspicuous courage in attacking an armed criminal.

4. *Mukunda Lall Bhattacharji, Officiating Inspector.*—In 1923 this officer was one of a police party who captured a gang of armed Punjabis about to commit a dacoity and subsequently rendered conspicuous services on three occasions in tracing and arresting dangerous offenders. Since joining the Calcutta Police he has been responsible for investigating and prosecuting fifteen important cases. On one occasion he was engaged in the arrest of three armed absconders who had been located in a room and, on failing to get any response to his knocks on the door, moved to the window, through which he was shot in the shoulder. In spite of his wound he gave the alarm on seeing one of the men escaping and gallantly kept the police party posted as to his movements. He is an officer whose devotion and courage in discharging his duties has marked him as one deserving recognition.

5. *Abu Ahiya Bazle Murshedi, Officiating Inspector of Police.*—This officer has been responsible for the arrest of nine important absconders and has taken part in the investigation of several serious cases. For the last few years he has been placed in charge of the protective arrangements during His Excellency the Viceroy's annual visits to Calcutta. He has rendered noteworthy services on two occasions of dangerous disturbance in Calcutta and in connection with an Arms Act case, in which two persons were arrested with loaded revolvers, himself arrested one of the accused who was attempting to escape. In an engagement with three armed absconders who shot a police officer in resisting arrest, the Inspector followed one of the wanted men who was attempting to escape on to the roof, in spite of shots fired by the absconder. The Inspector deserves recognition for the devotion and courage which have marked the discharge of his duties in general.

6. *Manindra Lal Das Gupta, Officiating Inspector of Police.*—This officer has been continuously on duty in a particularly lawless area since December 1932 where he has rendered very valuable services and earned the appreciation of Government. He has been in constant personal danger and has displayed remarkable courage and devotion to duty throughout.

* * * * * *

N.B.—The awards in the case of officers marked with an asterisk are for conspicuous gallantry. Officers of and below the rank of Inspector of Police so marked are eligible for the allowances sanctioned in the Home Department letter No. F.-25/IV/28-Police, dated the 7th February 1930.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. Application of Act. 3. This Act shall apply wherever the Bengal Tenancy Act, 1885, as amended by the Bengal Tenancy Amendment Act, 1928, applies.

Amendment of section 48C. 4. In section 48C of the said Act the following words will be added at the end of sub-clause (*2*) of clause (*i*) of the proviso, viz., " irrespective of whether or not the tenancy has terminated by expiry of the term, or it has been determined by notice, or the suit for ejectment has been instituted before or after the commencement of the Bengal Tenancy Amendment Act, IV of 1928."

Amendment of section 109. 5. In section 109 of the said Act the following words will be added at the end of clause (*a*) of the proviso, viz., " irrespective of whether or not such application or suit was filed or instituted, or the same was finally disposed of before or after the commencement of the Bengal Tenancy Amendment Act, IV of 1928."

Amendment of section 158A. 6. In section 158A the following proviso will be added at the end of clause (*l*), viz., " provided that in any area for which a record-of-rights has not yet been prepared or finally published the landlord, if he be a proprietor or permanent tenure-holder, may also so apply for the application of the procedure provided by the Public Demands Recovery Act, 1913, in cases where the rent is secured by registered lease containing all necessary particulars of the tenancy such as are required by clause (*b*) of section 148 and section 162 of this Act. Ben. Act III of 1913.

STATEMENT OF OBJECTS AND REASONS.

Section 48C requires an amendment to make clear the intention of the Legislature to give the *under-raiyat* the benefit of the protection now afforded by the proviso in all cases not yet finally decided including cases now pending in the original court or in a court of appeal or cases not yet instituted where notice was given under the old section 49 of the Bengal Tenancy Act. This has been rendered necessary by reason of the decision of a Special Bench of the Calcutta High Court reported in 37 C. W. N. 689, on a difference of opinion between two other Judges of the said court.

The amendment of section 109 is equally urgent and imperative to make clear a similar intention of the Legislature to apply the proviso in all cases not yet finally decided including cases pending either in the original court or in a court of appeal or cases not yet instituted, for it may be a question open to some doubt as to whether the Legislature intended to disturb rights that might be said to have already accrued under the old section 109 by reason of a final disposal even by default or withdrawal of an application or suit before the commencement of the Amending Act. (*Vide* 35 C. W. N. 1147.)

The proposed amendment of section 158A is to facilitate recovery of rents and cesses by proprietors and permanent tenure-holders so as to enable them to pay up in time the land revenue or cess of putni rents which are recoverable by summary processes. The information afforded by a record-of-rights could also be had with equal if not greater safety in cases secured by a registered lease containing all necessary particulars.

THE BENGAL TENANCY (AMENDMENT) BILL, 1934.

A

BILL

further to amend the Bengal Tenancy Act, 1885.

Preamble.

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885, in the manner hereinafter appearing; VIII of 1885.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act; 5 and 6 Geo. V, c. 61; 6 and 7 Geo. V, c. 37; 9 and 10 Geo. V, c. 101.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1934.

2. It shall come into force at once.

3. After section 148, clause (*h*), the following be added as clause (*h1*) :—

"No fresh appointment of any natural or Court guardian would be necessary in execution cases arising out of the original suits where guardian has already been appointed."

STATEMENT OF OBJECTS AND REASONS.

After amendment of Act VIII of 1885 in the year 1928 some inconvenience is experienced in execution cases. Some Courts in the mufassal insist upon the appointment of fresh natural guardian or Court guardian for the minors in execution cases as a result whereof poor tenants are unnecessarily saddled with costs for the same and delay is caused in the disposal of execution cases. Objects of this amending Bill is to remove that difficulty for the benefit of the poor tenant judgment debtors.

THE BENGAL FERRIES (AMENDMENT) BILL, 1934.

A

BILL

to amend the Bengal Ferries Act, 1885.

WHEREAS it is expedient to amend the Bengal Ferries Act, 1885, in the manner hereinafter appearing;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Ferries (Amendment) Act, 1934.

Extent and commencement.

2. It extends to the whole of Bengal.

And it shall come into force at once.

Amendment of section 9 of Ben. Act I of 1885.

3. At the end of section 9 of the Bengal Ferries Act, 1885, the words " provided such term shall not exceed three years " shall be added.

STATEMENT OF OBJECTS AND REASONS.

The object of this short amendment is to fix the maximum limit to the period to which a ferry should be leased. In some places the ferries are leased to farmers for long periods, namely, 10 to 15 years. In the district of Mymensingh the first class ferries have been leased for 15 years and the second class ferries have been leased for 10 years to a very rich ferry farmer. A great deal of exaction and exploitation is committed by these long termed ferry farmers upon the ignorant and helpless passengers during this long period in respect of ferry charges to be realised on goods and conveyances such as *dulis*, carts and *palanquins*, etc. Monopoly of any trade is harmful to the best interest of people at large. It is also financially injurious to the best interest of District Boards themselves. This power of granting long lease has been instrumental to scaring away the small farmers making rooms for only big ones with big purses.

Another reason for this amendment is that a Board should not be allowed to tie the hands of its successor in respect of the management of the Board's finance. This practice of allowing one Board to forestall the actions of a succeeding Board is bound to interfere with the efficient management of a Board and is against the principle of electing a new Board every third year or fourth year. If one Board is allowed to tie down the financial hand of all future Boards, where is the necessity of having a new Board few years after ?

In the opinion of the mover a lease for a term not exceeding three years will be best suited to the legitimate interest of District Boards and ferry farmers alike.

THE BENGAL TENANCY (AMENDMENT) BILL, 1934.

A

BILL

further to Amend the Bengal Tenancy Act, 1885.

WHEREAS it is expedient to amend the Bengal Tenancy Act, 1885, in the manner hereinafter appearing ; VIII of 1885.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act ; 5 & 6 Geo. V. c. 61 ; 6 & 7 Geo. V. c. 37 ; 9 & 10 Geo. V. c. 101.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1934.

Amendment of section 23 of Act VIII of 1885.

2. To section 23 of the Bengal Tenancy Act, 1885 (hereinafter referred to as the said Act), the following explanation shall be added, namely :—

" *Explanation.*—Erection of a mosque, temple, church or any other place of private or public worship, whether of masonry, bricks, stone or any other material whatsoever, shall not be deemed to render the land unfit for the purposes of the tenancy."

Amendment of section 44.

3. In section 44 of the said Act after clause (*b*), the following proviso shall be inserted, namely :—

" Provided that the erection of a mosque, temple, church or any other place of private or public worship, whether of masonry, bricks, stone or any other material whatsoever, shall not be deemed to render the land unfit for the purposes of the tenancy."

Amendment of section 48C.

4. In section 48C of the said Act after clause (*b*), the following proviso shall be inserted, namely :—

" Provided that the erection of a mosque, temple, church or any other place of private or public worship, whether of masonry, bricks, stone or any other material whatsoever, shall not be deemed to render the land unfit for the purposes of the tenancy."

STATEMENT OF OBJECTS AND REASONS.

In the case of Srish Chandra Ganguly *vs.* Essom Mussalli and others, reported in 38 C. W. N., page 93, the Calcutta High Court has held that the erection of a mosque or any other place of public worship in a plot of land comprised in an agricultural holding is a misuse of the land and that in such a case the landlord is entitled to have a decree for ejectment under section 155 of the Bengal Tenancy Act.

Right of worship is an elementary right of man. Erection of a place of worship is only a corollary to that right. It is deplorable if certain provisions in the Bengal Tenancy Act admit of interpretation that militates against this elementary principle. Such provisions require immediate change. The proposals in this Bill are formulated with a view to remove any doubt about this primary right of the Bengal tenant.

THE BENGAL MEDICAL (AMENDMENT) BILL, 1934.

A
BILL

further to amend the Bengal Medical Act, VI of 1914.

WHEREAS it is expedient further to amend the Bengal Medical Act VI of 1914, for the purposes hereinafter appearing ; 5 & 6, Geo. V, c. 61 ;

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (3) of section 80A of the Government of India Act to the passing of this Act ; 6 & 7, Geo. V, c. 37 ; 9 & 10, Geo. V, c. 101.

It is hereby enacted as follows :—

Preliminary.

Short title, extent and commencement.

1. (*a*) This Act may be called the Bengal Medical (Amendment) Act, 1934.

(*b*) It shall extend to the whole of Bengal.

(*c*) It shall come into force immediately.

Amendment of section 17.

2. (*i*) In section 17 insert the following as the first proviso, *viz.*—

"(*1*) Provided that the Governor in Council may after consulting the Medical Council permit the registration of :—

(*a*) any person who possesses a diploma or a certificate of any medical institution and was practising as a medical practitioner on the date when the Act came into force ; and

(*b*) any person who has obtained proper training in any medical institution and joined the medical profession before the 5th September, 1933."

(*ii*) In proviso to section 17 between the word "Provided" and the words "that the Council may," the word "also" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

From some time past it has been felt that the provisions of the Bengal Medical Act, 1914, are causing much hardship to a large number of persons who, though properly trained and possessed of degrees, diplomas, certificates, etc., from sources other than those recognised by the authorities and though they had been actually practising Medicine, Surgery and Midwifery from before 1914, cannot get themselves registered and thus become qualified medical practitioners. Practitioners with similar qualification in other provinces, *viz.*, Bombay, the Punjab, the United Provinces, Burma, etc., have been given the privilege of registration long ago either by amendments of the Acts of the respective provinces or by Government notification. In Bengal nothing in this direction has been done up-to-date. These practitioners of Bengal have therefore formed themselves into a corporate body under the name and style of *the Bengal Medical Union* and have been making representations which should not be ignored altogether. The redress sought for may be given by a simple amendment of the Bengal Medical Act and it is the object of the present Bill to make the amendment.

The Bengal Medical Act, 1914, in seeking to give protection to the public against quacks, omitted to make provision for the safety of those doctors who had obtained diplomas and certificates from various well-organised and efficient medical institutions before the passing of the Act, who had been practising with ability and reputation for a long time and who could by no stretch of language be called quacks. Yet, in the result these able, experienced and well-reputed doctors have been classed among the quacks. Many of them have been thrown out of employ from Hospitals, Tea Gardens, Ships, Steamers, etc., debarred from granting certificates of birth, death, or of illness and handicapped in many other ways. Their difficulties increased when the Poisons Act XII of 1919 came into force and prohibited them from procuring for their patients, the requisite drugs included in the schedule of poisons. The transitory provision by Government for an examination of these doctors by the State Medical Faculty was in force only for two years from the passing of the Bengal Medical Act, 1914. The time was too short for the majority to avail themselves of the concession, and moreover a good many did not even get the necessary information within the period. Such people are now on the brink of starvation. Many of them have outgrown the age at which a change of avocation is possible, and for obvious reasons, a fresh examination also is out of the question. The proposed proviso (*1*) (*a*) of the Bill is intended to meet the cause of the people.

The case of those who have obtained proper training in unrecognised medical institutions since 1914 stands on the same footing. Several unregistered doctors are serving in Tea Garden, Coal Mines, etc., and they have been highly spoken of by their superior highly qualified Indian and European Medical Officers. There are many who have been practising with greater reputation than their registered brethern of the profession in the rural areas. Some of these non-recognised institutions have since been recognised, but the students who completed their course therein and began to practise before such recognition have been left in the lurch. We therefore find good doctors trained at the same institution, one set of whom, —the older and more experienced set,—all unqualified for want of registration, while another set all qualified by registration. It is equitable under the circumstances to give such students at least one chance of being qualified. Hence the necessity for proviso (*1*) (*b*).

THE BENGAL MUNICIPAL (AMENDMENT) BILL, 1934.

A

BILL

to amend the Bengal Municipal Act, 1932 (Bengal Act XV of 1932).

WHEREAS it is expedient to amend the law relating to Municipalities in Bengal.

AND WHEREAS the previous sanction of the Governor General has been obtained under sub-section (*3*) of section 80A of the Government of India Act to the passing of this Act ; 5 & 6 Geo. V, c 61 ; 6 & 7 Geo. V, c. 37 ; 9 & 10 Geo. V, c. 101.

It is hereby enacted as follows :—

Preliminary.

Short title and commencement.

1. This Act may be called the Bengal Municipal (Amendment) Act, 1934.

Qualification of Commissioners and voters.

2. (*a*) For the words " lives in " in the fourteenth line of section 23 (*2*) (*c*) the word " occupies " shall be substituted.

(*b*) For the word " member " in the first line of sub-section (*5*) (*i*) the words " Co-sharer " shall be substituted.

Election of Chairman.

3. The words " one of the rest to be Vice-Chairman " shall be added after the word " Chairman " in sub-section (*1*) of section 45.

Powers of Chairman.

4. The words " which is consistent with the Act " shall be inserted after the word " meeting " in the third line of the proviso of sub-section (*1*) of section 51.

Vacation of office by Chairman and Vice-Chairman after general election.

5. In the last line of the first paragraph of sub-section (*2*) of section 59, the words " the Chairman thus elected shall preside over election of the Vice-Chairman " shall be inserted after the word " and " and the words " a Vice-Chairman " shall be deleted.

Execution of contract.

6. The following proviso shall be added to section 103 (*2*) " provided that in cases of the Howrah, Dacca and Chittagong Municipalities the amount shall be five hundred rupees in place of rupees two hundred. "

Annual estimates to be prepared.

7. For the word " three " in the third line of sub-section (*1*) of section 112, the word " two " shall be substituted.

Amendment and alteration of list.

8. (*a*) The words " through mistake, oversight or fraud " shall be inserted after the word " assessed " in section 138 (*1*) (*c*).

(*b*) For the words " one month's " in the first line of sub-section (*2*) of section 138 the words " 15 days " shall be substituted.

Application for review.

9. In sub-section (*2*) of section 148 the words " or after the expiration of one month from the date of service of the first notice of demand for payment at the rate " shall be omitted.

Officer may break open door.

10. For the word " reasonable " in the proviso of section 158 the words " one hour's " shall be substituted.

Amendment of section 165.

11. The provisos of section 165 shall be deleted.

STATEMENT OF OBJECTS AND REASONS.

1. Practical difficulties are being experienced regarding some sections of the Bengal Municipal Act, 1932, which are now necessary to be amended as per reasons noted below :—

2. (*a*) It has been contested in the election suits in connection with the last election of the Commissioners of the Dacca Municipality that many men having academical qualifications were enlisted as voters though actually they did not live there but at the time of election voted. The substitution of the word " occupy " will remove the above difficulty to some extent and this was the provision of the old rules also.

(*b*) This suggestion is made to avoid the vague meaning of the word " member " which may include sons and grandsons, nephews, etc., of a joint family.

3. The outgoing Chairman of the Dacca Municipality gave notice for election of Chairman only under section 45 (*1*) but under section 59 (*2*) the election of both Chairman and Vice-Chairman shall be made at the first meeting. There was great controversy over the matter. This suggestion is made to make it consistent with section 59 (*2*) and to avoid the ambiguity.

4. This is suggested so that the Municipal Commissioners may not pass any illegal resolution which according to the present wording of the section the Chairman will be bound to carry out.

5. This suggestion is made to make it consistent with the existing Government rules for the election of Chairman and Vice-Chairman.

6. If this is not done in big Municipalities like Howrah, Dacca and Chittagong innumerable urgent works will have to be detained for sanction of the meeting and acceptance of tenders at the meeting. So for the facility of work this suggestion is made.

7. This is suggested to give the actual figures of receipt and expenditure for nine months (*i.e.*, three complete quarters). This was the provision of the old Act also.

8. (*a*) The existing sub-section is a dangerous one. Any case already decided by a sub-committee, can be open to reassessment by the Chairman of the Municipality. The insertion of words " through mistake, oversight or fraud " has been suggested to make it consistent with section 108 of the Old Act of 1884.

(*b*) The suggestion is made to expedite the progress of the work otherwise there will be unnecessary delay.

9. A notice under section 147 (*2*) is quite enough for the party to file objection. This provision is redundant.

10. The word " reasonable " is a vague one. To avoid dispute and litigation, a definite hour should be mentioned.

11. The words " of any movable property belonging to any other person " in section 156 will have no meaning if the provisos are retained. Moreover, this will remove difficulty in realising taxes, particularly from the female owners of a rented holding whose whereabouts are unknown and whose movable property is not sufficient to cover the taxes due. This suggestion is made to make it consistent with section 156.

SALT.

The 12th January 1935.

No. 1.—In exercise of the powers conferred by clause (*b*) of section 7 of the Indian Salt Act, 1882 (XII of 1882), and in supersession of the notification of the Government of India in the Finance Department (Central Revenues), No. 4, dated the 4th February 1928, the Governor-General in Council is pleased to remit the duty imposed under clause (*a*) of the said section on salt manufactured in or imported by land into the territories within the jurisdiction of the Commissioner, Northern India Salt Revenue, hereinafter referred to as the Commissioner, or with the special approval of the Governor-General in Council, within any other place, when such salt is used within those territories for any industrial purpose other than the preparation of refined salt or black salt otherwise known as saunchal salt, or as an ingredient, or preservative in any article of food or drink, subject to the following rules:—

1. Any person intending to use salt in an industrial process (hereinafter referred to as the manufacturer) and wishing to be admitted to the concession shall make an application to the Commissioner stating the industrial purpose for which he intends to use the salt and the approximate quantity of salt required in the year. If he wishes the concession to extend to more than one factory or works, a separate application shall be made for each such factory or works. A concession granted for one factory will not be transferred to another factory. If he intends to use any salt other than salt educed in the manufacture of saltpetre, for which a special low rate of duty has been fixed he must apply for sanction of the Commissioner, stating the reasons why such educed salt is not suitable for his purposes.

2. If the application is sanctioned, the manufacturer shall pay a supervision fee of Rs. 100 (Rupees one hundred) to cover the cost of requisite inspections and any other departmental expenses involved; provided that no fee shall be payable by a manufacturer admitted to the concession described in these rules who has already paid a fee in respect of his admission to a similar concession under Article 2 in part 1 of Schedule II to the Indian Tariff Act, 1894 (VIII of 1894), provided also that if the concession is granted after six months of a financial year have expired, the supervision fee payable for the said year shall be Rs. 50 (Rupees fifty only) and that if the full annual fee of Rs. 100 (Rupees one hundred only) has been paid and a concession is surrendered before the expiry of six months of a financial year or in the case of a new grantee within six months of the grant, Rs. 50 (Rupees fifty only) shall be refunded.

All fees payable under the rules shall be deposited in the nearest district treasury under the head "III—Salt—Miscellaneous", and the treasury receipt forwarded to the Assistant Commissioner, Northern India Salt Revenue, in whose jurisdiction the factory or works are situated, hereinafter referred to as the Assistant Commissioner. The rebate of duty will only be allowed on salt used from the date of deposit of the inspection fee into the treasury.

3. After making this payment the manufacturer shall, in the first instance, provide himself with duty-paid salt from a salt works, depot or from a firm of salt dealers approved by the Commissioner. At the close of each half year the manufacturer shall submit to the Assistant Commissioner an application for the refund of the duty on the salt used, supported by the receipt of the firm from which the salt has been purchased, or by the permits issued for the removal of the salt, as the case may be. Receipts which must be in the form prescribed by these rules (Form No. A) will not be returned to the manufacturer. A stamped receipt for the amount claimed will be submitted in advance, along with the application for refund. On receipt of the cheque for the amount of rebate claimed, the firm will submit an unstamped receipt to the Assistant Commissioner in acknowledgment of having received the cheque.

4. For the purpose of these rules duty on salt purchased in the market shall be deemed to have been paid at the rate in force on the date of purchase.

5. (1) The application for refund of duty shall contain the following particulars:—

(i) the balance of salt in store at the beginning of the half year;
(ii) the quantity of salt purchased during the half year;
(iii) the quantity of salt used during the half year and the quantity on which a refund of duty is applied for;
(iv) the balance of salt in store at the close of the half year;
(v) the quantity, weight and such other details of products manufactured during the half year as may be required by the Assistant Commissioner;
(vi) a declaration stating the product manufactured and the name and situation of the factory or works, and that the salt on which a refund of duty is applied for has been used *bona fide* by the applicant in the process of manufacture of such product and has not been used for any other purposes.

(2) The particulars entered in accordance with clauses (i), (ii), (iii) and (iv) of sub-rule (1) shall distinguish between salt on which duty has been paid, or is deemed under Rule 4 to have been paid, at different rates.

6. On receipt of the application for refund, the Assistant Commissioner shall make such enquiry as he thinks fit and when satisfied that the figures contained in the application are correct shall issue orders for the refund of the duty on the salt used in the process of manufacture. In the absence of special sanction from the Commissioner under Rule 1, duty shall not be refunded at a higher rate than that leviable on salt educed in the manufacture of salpetre at the date of purchase of the salt. A return shall be submitted monthly by the Assistant Commissioner to the Commissioner giving a list of the refunds sanctioned. On receipt of these returns, the Commissioner may order such further enquiry as he considers necessary.

7. The manufacturer shall provide and set apart, for the storage of salt purchased for use in the factory or works, a store-room, which shall be, to the satisfaction of the Assistant Commissioner, securely constructed and fitted with a strong door capable of being locked. Salt manufactured within British India and salt imported by sea shall be stored separately in the store-room, as also shall salt on which duty has been paid, or is under Rule 4 deemed to have been paid, at different rates.

8. (1) The store-room shall not be opened except between the hours of sunrise and sunset and then only for one of the following purposes, namely:—

(*a*) for the receipt of salt into store;

(*b*) for the preparation by grinding or for the issue of salt required for purposes connected with manufacture;

(*c*) to allow the stock of salt to be checked by weighment or otherwise by an officer of the Salt Department deputed for the purpose.

(2) The store-room shall not be opened except by or in the presence of the Manager of the factory or works or the store-keeper who shall retain the key in his own possession.

9. All spent-lye or other useless refuse containing salt shall be effectually destroyed on or near the premises in such manner as the Assistant Commissioner may direct.

10. The manufacturer shall maintain a register in Form B, which shall be written up daily and signed by the manufacturer or his manager and which shall show particulars of all salt purchased, expended and stored together with the weight or quantity of products manufactured. Separate registers shall be maintained for salt on which duty has been paid or is under Rule 4 deemed to have been paid at different rates. With the sanction of the Commissioner the weight or quantity of the product manufactured may be written up monthly instead of daily.

11. The premises of the factory or works may be entered upon and examined at any time by any officer of the Northern India Salt Revenue Department authorized by the Commissioner or by any officer of the Salt Department of a province other than those within the jurisdiction of the Commissioner, Northern India Salt Revenue, who may be specially empowered in this behalf by the Central Board of Revenue, and due facilities for examining the manufacturer's salt register as well as for checking the stock of salt received, expended and in hand, shall be afforded by the manufacturer and all other persons employed by him. Salt shall be stored in the bags in which it is received from the Salt Works or depot and the bags shall be arranged in tiers so as to facilitate checking and weighment.

12. The manager of the factory or works shall furnish the Assistant Commissioner with a monthly statement to be posted by the 10th of each following month, showing the opening balance of salt at the beginning of the month, the quantity purchased during the month, the quantity expended during the month, the balance at the close of the month and the weight or quantity or other particulars, as may be required, of the article produced for which salt was used. The manufacturer's book showing the weight or quantity of the article dealt with and the product manufactured shall be open at any time to the inspection of any officer of the Northern India Salt Revenue Department.

13. (i) On any breach of these rules by the Manufacturer, or there being reason to believe that the concession of a drawback of duty on the salt used by the said Manufacturer is being otherwise abused, the Government shall be competent to impose a preventive establishment at the cost and expense of the Manufacturer, or to cancel or withdraw the concession granted under these rules, and to forfeit the amount of inspection fee deposited for the year, and the Manufacturer shall on demand refund all duty, the remission of which shall have been wrongfully claimed and sanctioned.

(ii) The manufacturer shall also be responsible for any loss or damage that may be occasioned by the breach of rules referred to in clause (i) above.
